

# Evacuation scheme contacts

## Fire Information Unit

The Fire Information Unit (FIU) is responsible for processing evacuation scheme applications and ensuring evacuation schemes are maintained.

All manual forms should be sent to the FIU.

You can also contact the FIU during standard office hours for general evacuation scheme enquiries.

## Fire Communication Centres

The Fire Communication Centres are responsible for providing the link between the community and Fire and Emergency New Zealand operational units.

For trial evacuations, it is recommended that you phone your local Fire Communications Centre 10–15 minutes prior to your trial and immediately following your trial.
